

Geometria

Creativa in 1B

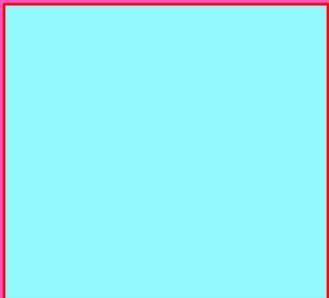

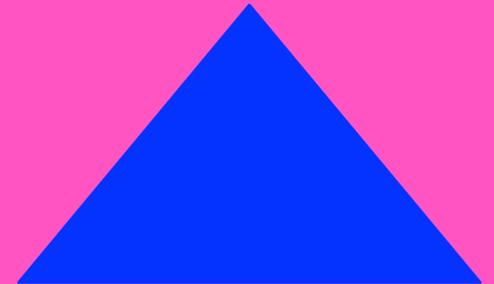

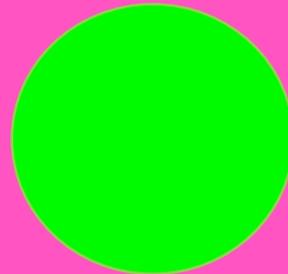

Giochiamo e cantiamo per riconoscere le forme intorno a noi.

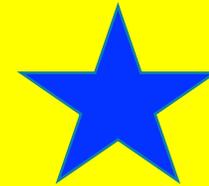

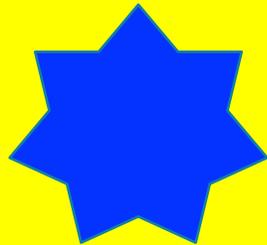

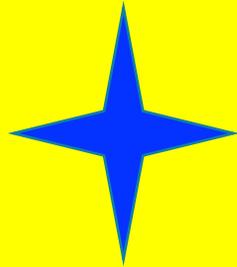

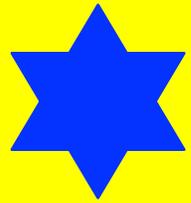

Con i regoli

Ci divertiamo a fare le forme col nostro corpo...

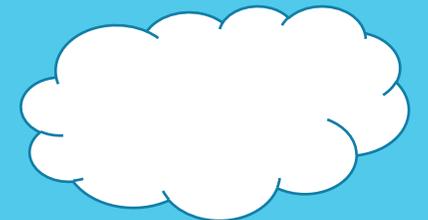

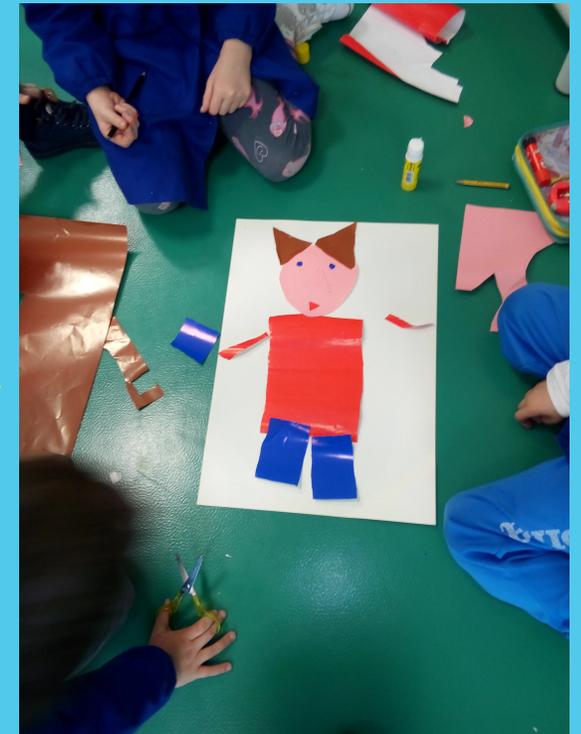

Scopriammo gli oggetti
usando solo il tatto: tutto si
riconduce a una forma.

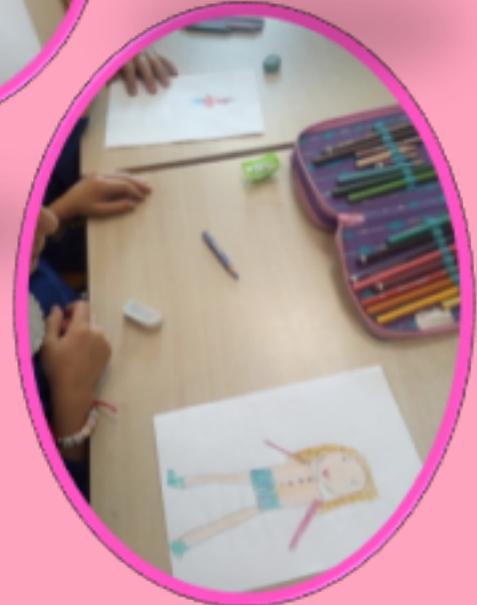

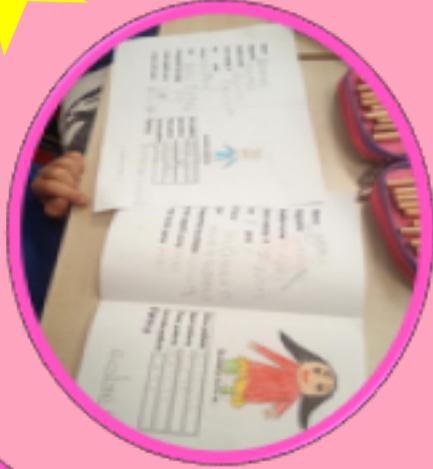

Ritagliamo le forme e formiamo un collage animato...

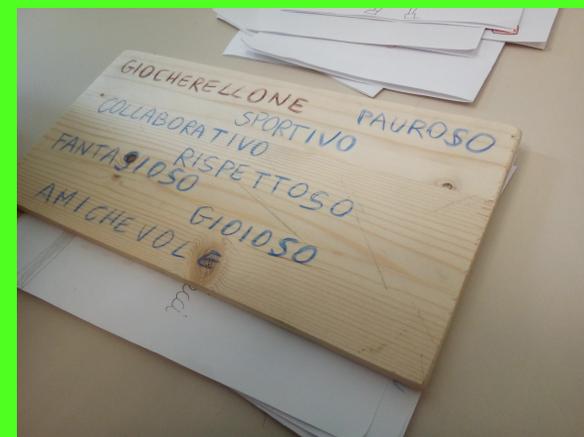

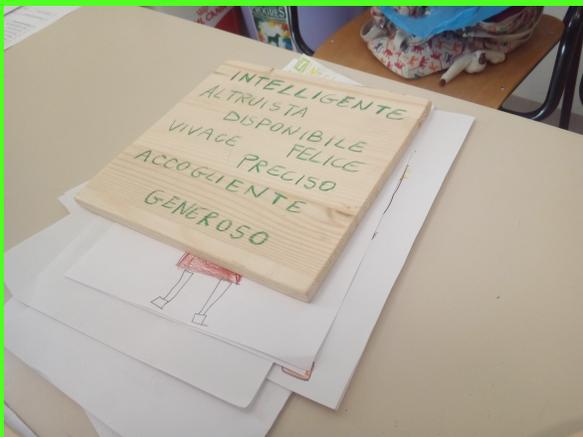

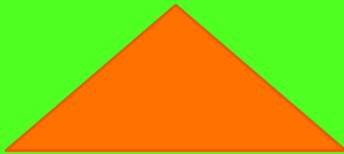

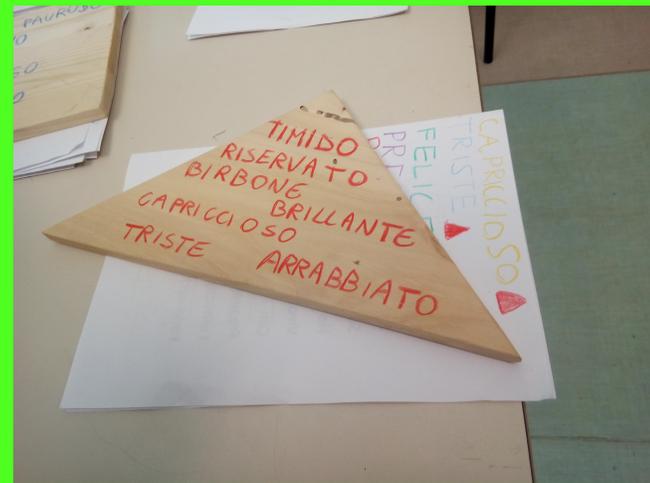

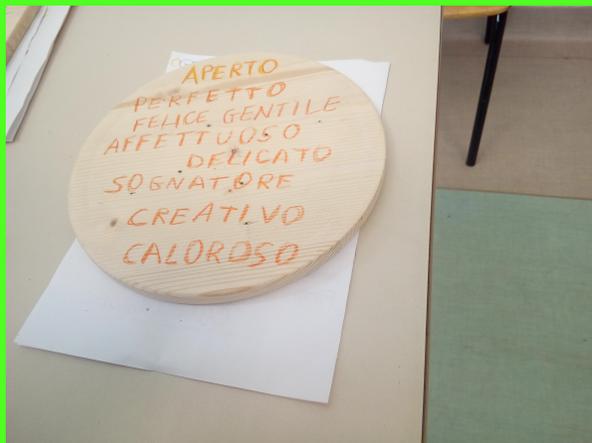

Dalle forme...al racconto.

Le nostre carte d'identità racchiuse nel ritratto geometrico.

I nostri pregi e i nostri difetti racchiusi nelle forme...

Ecco come ci siamo sentiti durante queste attività...
